

Yearbook Coordinator

Team Mom,

Please find someone on your team to be the yearbook coordinator!
You have too much to do already, so look for someone else!

This job entails taking pictures throughout the season or gathering pictures from others and making a one page (8.5 x 11) representation of your team.

Be as creative as you want...scrapbookers we love you...or just make a collage of as many pictures as you want.

- ❖ Add stickers or other embellishments to finish the job.
- ❖ Colored pictures scan the best! Paste them to a 8.5x 11 inch sheet!
- ❖ Print digital photos on photo paper! Make a digital collage and print on photo paper.

These pages are due April 15th!
